Residence Halls

Well Maintained

We're proud of the quality of our facilities. University Housing maintenance staff makes repairs quickly and expertly. The housekeeping staff enjoys the reputation of maintaining sparkling clean facilities. Residents consistently give our facilities a superior rating in the annual EBI Survey.

Secure

Students overwhelmingly tell us they feel safe in the residence halls. Your security is our priority!

- 24-hour information desks are available for your security, safety and convenience. You can always check out a key if you get locked out – no matter what time of day or night.
- Locked mail boxes and a package-holding system keeps your mail (and identity) secure.
- Staff members make security rounds and someone is on call 24-hours per day for emergencies.

"Residence Halls are safer and more dependable. That allows me to concentrate on my studies and not be so distracted."

Genevieve, Sophomore, Slater

- You can be a part of living/learning communities.
- You can take advantage of the free tutoring program.
- You'll be able to use the ITC Labs and quiet study spaces.

To LiveOn is Smart!

Jeff, Freshman, Rienow

Costs

Think it costs too much to LiveOn? Have you thought about cable & internet fees, utilities (water, trash, gas and electric), groceries, and the time it takes to cook, clean and shop? Is the price of a fitness center membership included in your apartment rent?

Add in all of the extras and the average student who shares an apartment with one other student pays \$800 per month. Add in the time (at \$7 per hour) to cook, clean, wash dishes and shop and that total jumps to \$1080 per month for a 12 month lease!

If that same student lived in a maintenance-free double residence hall room with air and a 14 meal per week plan, he or she would pay (2008-9 costs) \$680 per month for the 9 month academic year!

To LiveOn is the most economical choice!

"You don't have to worry about paying rent each month and making your own food. Plus, you have a staff of people willing to help you at a moment's notice. You can't find that in any apartment place." Megan, Sophomore, Burge

To LiveOn is Delicious!

"I miss having a meal plan. I didn't realize food was that expensive. Our kitchen is a mess right now we have a week's worth of dirty dishes in the sink." Ryan, Sophomore, Off-Campus
